

# Help with **CHRISTMAS**

Dear Parents,

Last Christmas we were supported by a fabulous charity called KidsBank in Chester. As a school, we are able to refer families to them and they then offer a selection of brand new Christmas gifts for children. These can be delivered to the family home or to school if that is easier.

If you think you would benefit from a referral, please contact Mrs Wakefield -either in person, by phone or via email.

In addition to our link with KidsBank, we do have the facility to refer for Food Bank donations. Mrs Edmond is our point of contact for this and again, she can be contacted via the school office or in person.

All calls will be treated with the utmost confidentiality.
